October 1–3, 2023

# 3 REASONS TO ATTEND THE CAPPEDA CONFERENCE

---

In the face of limited time and budget resources, Facilities Managers must carefully consider where those resources will be applied to achieve the greatest benefit.

When budgets are tight, travel and conferences are usually the first cuts made, but is that really best for the long-term success of your organization?

Here are 3 reasons that attending the CAPPEDA Annual Conference will benefit you and your leadership team:

- Collaboration with institutional peers and business partners: CAPPEDA Conference offers the opportunity to meet facilities professionals and business partners in the Central Region of APPA to learn how others have handled similar challenges at their institutions. It is also a chance to learn about new opportunities – maybe it's not about fixing something that is broken, it's about how to do something better!
- Professional development: CAPPEDA offers a wide range of educational sessions for development of your leadership team and the next generation of leaders. With presentations on multiple aspects of facilities management, your team has an opportunity to expand their knowledge base to prepare for advancement into senior leadership roles.
- Time to Re-Focus: As Facilities Managers, we are constantly focusing on current issues that consume our time and energy. Sometimes we are so close to a problem that we forget to see the big picture. Attending a CAPPEDA Conference allows you time to step-back, re-charge, and look at your organization with fresh eyes and new information.

CAPPEDA Annual Conference is an investment in yourself and your team. We hope you will join us in Allen, TX to explore ***BIG Challenges, BIGGER Opportunities.***

# REGISTER NOW

[Registration is open for the CAPP A 2023 Conference!](#)

Want to attend, but cost may be holding you back? We have one scholarship available towards registration & \$500 in travel cost.

[Click here](#), and apply for a chance to win!

The conference is walking distance from [Watter's Creek Village](#), a premier, resort-style shopping and entertainment destination in Allen, TX.

*CAPP A is currently developing a Code of Conduct, which will be released in time for the CAPP A 2023 Conference.*

*Stay tuned!*

# THE EDUCATIONAL SESSIONS

---

This year's educational sessions are grouped in these 5 Tracks (topics of discussion):

- Technical - Deep Dive
- Custodial, Grounds, & Maintenance
- Planning, Design, & Construction
- Energy & Utilities
- Management & Leadership

With last year's conference success at the round table, we've arranged to have three this time around!

- Custodial, Grounds, & Maintenance
- Planning, Design, & Construction
- Energy & Utilities

Feel free to attend any of the educational sessions that strike you as interesting; you are not limited to any one track.

*The only limit to your  
impact is your imagination  
and commitment.*
